Ellingham

Kirby Cane

1946

Rev Frederick Mark Gentry, rector.

Jim Skoulding, who was porter/signalman at Ellingham station 1932 - 41, dealt with the goods traffic passing through the station; grain and meal from W D Walker's mills at Ellingham and Earsham and sugar beet for the factory at Cantley. Milk would be sent away at 8am to Beccles, up to 20-30 churns.

There were excursions on certain summer Sundays to Yarmouth, and 30-40 people would get on at Ellingham at 10am to return at 9pm, all for the princely sum of 9d. On Saturdays there were excursions to London, leaving at about 4pm and arriving in the capital at about 7.30pm. Ample time to see a show and return on the midnight train ... all for 5s-9d!

Rev Stanley James Pert left. Station Farm sold.

1946 Church installed electric light.
